

IECnet New Chairman: Tobi Smit

IECnet announces that Tobi Smit RA was unanimously elected IECnet Chairman on 29 September 2016 at its Annual General Meeting in Frankfurt, Germany.

IECnet is an international association of accountants, auditors and tax consultants with 72 members in 60 countries all over the world. All IECnet members are professionally qualified under the laws of their respective jurisdictions. IECnet is a member of IFAC's Forum of Firms.

Tobi Smit is a registered accountant in The Netherlands, specialising in audit & assurance. He has over 30 years' experience in providing audit services to medium sized and large private companies.

He is a partner at vhm|abc which has been a member of IECnet since 1994. vhm|abc has offices in Epe, Genemuiden and Veenendaal in The Netherlands.

Tobi was a member of the Board of IECnet, serving on its Executive Committee from 2007 until 2015, during which time he acted as Chairman of Committees on Auditing, Public Relations and Business Development, and also as Secretary to the Board.

During his term as IECnet Chairman, he will work to strengthen IECnet, with equal emphasis on quantity and quality, to ensure it remains a key and ever expanding player on the international accountancy scene.
