

IECnet Press-release May 2014

IECnet is proud to announce the publication in French of the book '*Information Financiere du Secteur Public selon les normes IPSAS*' (Financial information of the Public sector according to the IPSAS Norms) written by of its longtime member Anis Wahabi from Tunisia. This 280 pages book on IPSAS norms (International Public Sector Accounting Standard) will soon be available in English as well.

Specialized in IFRS & IPSAS, Mr. Anis Wahabi is a chartered accountant, partner at AWT, Tunis, who also provides courses at university for master's degree students. He has been a member at IECnet since 2006 and chaired the Audit Committee in 2011-2012. A Board member, he is now in charge of the growth of the Africa-Middle East area for IECnet.
