

## IECnet Press-release

September 2018

### IECnet adds new member in Nigeria

IECnet, the international network of independent audit, accounting and tax practices, is pleased to announce that it has a **new member in Nigeria**.

OLUMUYIWA BELLO & CO is a dynamic Accounting firm in Nigeria with qualified, experienced and responsible members. OLUMUYIWA BELLO & CO provides a full range of professional services, such as audit, accounting, tax services, company formation and secretarial services, for their clients to meet statutory and other specific requirements. Their mission is to contribute to their clients' growth and development by rendering personalized and quality consultancy services which meet and anticipate their clients' needs and circumstances in a continuously changing environment.

OLUMUYIWA BELLO & CO is made up of a team of dynamic professionals who have over the years gathered experience in diverse areas of audit, tax, accounting and management consulting.

OLUMUYIWA BELLO & Co's experience base has equipped them to be able to assist their clients in their core service areas, such as audit, tax services, payroll management, accountancy/accounting systems implementation and advisory, corporate finance advisory services, public sector revenue automation, improvement and monitoring and company formation and secretarial services.

OLUMUYIWA BELLO & CO is proud and happy to join IECnet as one of the Nigeria members of a network composed of professionals with the highest standards worldwide.
