RECONOCIMIENTO INTERNACIONAL PARA MORERA ASESORES & AUDITORES

La compañía de consultoría, auditoría y asesoramiento fiscal Morera Asesores & Auditores ha recibido en Buenos Aires (Argentina) el premio anual a la mejor firma miembro de IECnet, red internacional que engloba a cerca de ochenta empresas del sector de todo el mundo. El galardón fue recibido por Ana Morera, máxima responsable de la firma barcelonesa, que aparece en la imagen junto a Tobi Smit, presidente de IECnet (izquierda), y Frederic Borràs, presidente del consejo asesor de Morera Asesores & Auditores.

The leading newspaper in Spain, published the news of the award to Morera.

“In the AGM of Buenos Aires, Morera Asesores & Auditores from Barcelona (Spain) was awarded the member of the year.

Morera Asesores & Auditores has its origin in professional activities in the field of tax and accounting advice of Mr. Laureano Morera Bargués, who opened office in 1952, in Barcelona (Spain).

With almost 70 years of experience, we are one of the most traditional firms in Barcelona, which has more than 30 professionals, in constant training, who provide services at the highest level to our clients. We have clients who have trusted us over several generations.

We project ourselves towards the future as an essential element for our clients, providing personalized professional services in the local and international environments, with the commitment to find the best solutions for each circumstance.

Our vision for the future is to continue growing as a multidisciplinary firm, recognized for quality, and driven by talent, which allows us to facilitate the fulfilment of all fiscal and accounting obligations for our clients with an integral service adapted to the needs of each company.

Services provided

Our aim is to advise our clients in their tax and accounting obligations, minimising risks and leveraging the advantages offered by the legislation.

We also provide audit, bookkeeping and legal services which help to set up a company in Spain, and provide the necessary advice to develop its activities.” Ana Morera
