

## **IECnet welcomes a new member in Sydney, Australia.**

IECnet is proud to welcome a new member in Sydney, Australia.

Founded in 2008, MNSA prides itself on providing personalised partner service to their clients. The firm is structured so that efficiencies can be gained from appropriate tasks being completed by staff at the relevant level, with quality maintained by adequate supervision and review procedures by senior personnel.

Meeting their clients' needs in a rapidly changing business environment has led to the development of an extended range of business services drawing on all areas of their expertise.

MNSA provides services in the following areas: - Auditing Services - Tax Planning & Consulting - Management Accounting – Financial Reporting & Corporate Compliance. MNSA maintains the philosophy that their clients receive value for money in the services provided.

About MNSA joining IECnet, Mark Schiliro, MNSA Managing Director says,

“MNSA is looking forward to sharing a platform for independent firms around the world to share knowledge, refer services, network, build relationships and develop our professional skills and expertise. We pride ourselves on providing comprehensive, valuable services to clients through the development and maintenance of a cohesive network that operates to high standards of professionalism. We are honored to have the opportunity to work with a respected international forum of firms and look forward to a successful and prosperous future for all. “
